

COVID-19 Restrictions

QLD

What you can do from 22 August

You are now able to leave your home for any reason and for any amount of time, including overnights. You can travel within Queensland, with no limit on distance. Gatherings are limited to 10 people in 'restricted areas', including Brisbane and surrounding south-east Queensland areas. Outside of those areas, gatherings are limited to 30 people. You must quarantine if you have returned to Queensland from a COVID-19 hotspot.

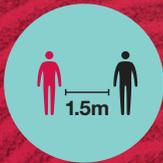

Meeting in public

Up to 10 people can gather together in public (indoors or outdoors) in restricted areas, including Brisbane and surrounding south-east Queensland areas, or 30 people in non-restricted areas. Stay away from large groups and always follow social distancing.

Visiting family & friends

You can have a gathering of up to 10 people (including the people you live with & children) in your house in restricted areas, including Brisbane and surrounding south-east Queensland areas or 30 people in non-restricted areas. Keep social distancing.

Social Distancing

Always stay about 2 big steps away from other people you don't live with. Wash your hands often and don't touch your face. Stay home if unwell. Enough space for 1 person per 4 square metres.

Responding to police

You need to provide your name and address. The police can make you answer certain questions. You can film your interaction with police in a public place if you are concerned about your rights.

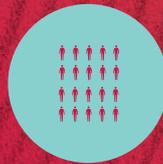

Region restrictions & remote communities

There are no restrictions on travel to remote communities in designated areas. Avoid travel if you feel sick.

Police

Police could give you a warning, fine or possibly arrest you if you are not following the rules and you are over 10 years old.

Sorry Business & funerals

Funerals can have up to 100 people attend (whether indoors or outdoors). You must follow social distancing. Apply to the Chief Health Officer for more people to attend, including for cultural reasons.

Elders & older people

You can care for Elders & older people but you should keep social distancing. Limited visits to aged care facilities possible – contact the facility.
