

COVID-19 Restrictions

WA

What you can do from 28 August

Some restrictions have eased – physical distancing and limits on gatherings apply. Most businesses, venues and services can open as long as physical distancing is followed.
Travel to regional areas allowed.

Physical Distancing

Always stay about 2 big steps away from other people you don't live with. Wash your hands often and don't touch your face.
Stay at home if unwell.
Enough space for 1 person per 2 square metres.
Businesses may request your details for contact tracing.

Meeting in public

There are no restrictions on how many people can gather but physical distancing and personal hygiene should still be followed.

Police

Police could give you a warning or fine or possibly arrest you if you are not following the rules and you are aged 10 years or over.

Responding to police

You need to provide your name and address. You don't need to say any more. You can film your interaction with police in a public place if you are concerned about your rights.

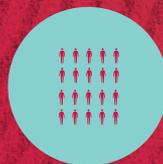

Remote Aboriginal Communities

Travel into remote Aboriginal communities is restricted. This could limit your travel outside of your community. Contact your council for more information & updates.

Visiting family & friends

You can visit family - there are no limits on how many people can visit, as long as physical distancing can be followed.

Sorry Business & funerals

Funerals can be held with no limits on how many people can attend, as long as physical distancing is followed.

Elders & older people

You can care for Elders & older people but you should follow physical distancing. Limited visits to aged care facilities possible.

See the First Nations Guide to COVID-19 Law - WA for more information
