

COVID-19 Restrictions

Tasmania

What can I do from 2 November?

Restrictions have eased. You are now able to do most things as usual, however, physical distancing should still be followed and many businesses will have a limit on numbers of people.

Physical Distancing

Always stay about 2 big steps away from other people you don't live with. Wash your hands often and don't touch your face. Stay home if unwell. Enough space for 1 person per 2 square metres.

Community Events

Gatherings in public of up to 250 people are allowed for indoor events and 1,000 for outdoor events. Physical distancing must still be followed.

Police

Police could give you a warning or fine or possibly arrest you if you are not following the rules.

Responding to police

You need to provide your name and address. You don't need to say any more. You can film your interaction with police in a public place if you are concerned about your rights.

I can't pay my rent

Get in touch with your landlord. Temporary laws may protect you from eviction.

Visiting family

Up to 20 people can visit another household at a time. Physical distancing should be followed.

Sorry Business & funerals

Funerals and sorry business must follow gathering restrictions and physical distancing

Elders & older people

You can care for Elders & older people but should keep physical distancing.
