

# COVID-19 Restrictions

ACT

## What you can do from 2 December

Some restrictions have eased. With social distancing in place and with a maximum of 500 people in an enclosed space, you can visit cafes & restaurants, gyms, galleries, museums, outdoor attractions, campgrounds, beauty salons and play indoor social sport. You can still shop for essential & non-essential items, seek medical care or safety, comply with court orders, exercise outdoors, attend school, work, places of worship, house inspections & auctions.

## Social Distancing

Always stay about 2 big steps away from other people you don't live with. Wash your hands often and don't touch your face. Stay home if unwell. Maintain enough space for 1 person per 4 square metres when indoors without the Check-in CBR app, or 1 person per 2 square metres when outdoors or at indoor events with the Check-in CBR app. Some businesses may request your details for contact tracing.

## Elders & older people

You can care for Elders & older people, but you should keep social distancing. Limited visits possible to aged care facilities. You can visit a spouse, close relative who resides in an aged care facility. However, you must have an up-to-date vaccination against influenza (the flu) when visiting an aged care facility.

## Police

Police could give you a warning or fine or possibly arrest you if you are not following the rules and you are aged 10 years or over.

## Responding to police

You need to provide your name and address. You don't need to say any more. You can film your interaction with police in a public place if you are concerned about your rights.

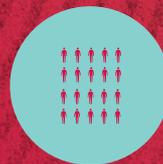

## I can't pay my rent

Get in touch with your landlord. Temporary laws may protect you from eviction.

## Visiting family

There are no restrictions on visiting family but physical distancing must be followed.

## Sorry Business & funerals

Up to 500 people can attend a funeral. Social distancing must be followed.

## Meeting in public

All indoor and outdoor gatherings can have up to 500 people depending on the size of the place, where social distancing can be followed.
